

Open Payments database

Pursuant to California Assembly Bill (AB) 1278, as of January 1, 2023 physicians are required to provide notice to new patients regarding the Open Payments database (Database), which is managed by the U.S. Centers for Medicare & Medicaid Services, or CMS.

The Open Payments database is a federal tool used to search payments made by drug and device companies to physicians and teaching hospitals. It can be found at <https://openpaymentsdata.cms.gov>.

This is for informational purposes only and links to the Federal Centers for Medicare and Medicaid Services (CMS) Open Payments web page .The federal Physician Payments Sunshine Act requires that detailed information about payment and other payments of value worth over ten dollars (\$10) from manufacturers of drugs, medical devices, and biologics to physicians and teaching hospitals be made available to the public.
